

Come play with us!

Children learn through play. It helps develop the physical, social and language skills necessary to succeed in school and in life. Playing is what children do best and what they enjoy most. When it comes to the desire to play, all children are the same, but they need the “right” environment to make their playtime meaningful and successful.

At **The Sensory Playhouse**, we offer an exciting environment where all children can flourish, learn and grow while having lots of fun. Filled with tactile delights to arouse the senses, the Playhouse is a colorful world filled with educational and creative experiences.

There is something for children of all ages and abilities at the Playhouse including gross and fine motor activities, sensory-based play centers, climbing equipment, arts and crafts, a trampoline and a vestibular swing.

Summertime fun— Playhouse Style!

Join us for fun summer camp activities at the Playhouse! We are pleased to offer two sessions per week of fun and educational activities for children ages 3-5.

The program will take place in our new classroom area separate from open play. Parents must stay on the premise, but will not participate in the class. Siblings are welcome to play at the Playhouse during class as long as their membership is current.

Cost per child is \$16 weekly. This includes two 45-minute sessions. (The price does not include open play, and memberships must be current to stay and play after class.)

There will be eight children and two teachers per class.

Space is extremely limited so secure your spot today.
